County of New Hanover, North Carolina Limited Obligation Bonds, Series 2021

In accordance with N.C. Gen. Stat. §120-157.2(a), the County of New Hanover, North Carolina (the “County”) hereby notifies you of its intent to execute and deliver an amendment to an installment financing contract (the “Contract”) with the New Hanover County Financing Corporation (the “Corporation”), pursuant to which the Corporation will execute and deliver the above-referenced limited obligation bonds (the “Bonds”) in an aggregate principal amount not to exceed \$91,000,000 for an aggregate term of approximately 20 years. The County intends to apply the proceeds of the Bonds to pay the capital costs of (a) (i) acquisition, construction, and equipping of a 200-bed long-term addiction treatment center to be located in the County known as the “Healing Place,” (ii) acquisition, construction, and equipping of a new government center complex for the County, (iii) construction of stormwater management improvements, and (iv) other miscellaneous capital improvements and the acquisition of certain equipment for both County and school purposes and (b) refinancing the County’s obligations related to an installment financing contract with Branch Banking & Trust Company dated February 9, 2018.

The security for the Bonds is expected to be a deed of trust, as amended, on property financed by the Contract. The obligation of the County to make the Installment Payments and Additional Payments (each as defined in the Contract) shall constitute a limited obligation of the County, payable solely from currently budgeted appropriations of the County and shall not constitute a general obligation or other indebtedness of the County within the meaning of the Constitution of the State of North Carolina (the

"Constitution") or a direct or indirect pledge of the faith and credit or taxing power of the County within the meaning of the Constitution.

The County expects that the North Carolina Local Government Commission (the *"Commission"*) will consider for approval the County's proposal to execute and deliver the Contract at the Commission's February 2, 2021 meeting, or such later meeting as the County and the Commission may determine.
